In the Future, Notify Us of Any Changes in Your Contact Information!

Keeping all this contact information accurate and up to date for each LSP will be impossible unless you notify the LSP Board **each time** any of your contact information changes. We will continue to collect this information from you every three years as part of the license renewal process. But **you have the responsibility** to notify us whenever any of your contact information changes. The easiest way to do this is to send the Board an e-mail (LSP.Board@state.ma.us), so long as your last name appears in the Sender’s e-mail address. Otherwise, you may fax or mail your new contact information, so long as your change request is signed and dated. For your convenience, you may send us your changes using the “LSP Address Form” posted on the Board’s website. But contact information changes need not be submitted on a form. Be sure to identify whether a change pertains to your “website” information or your “mailing” information.

If you have any questions about what contact information the Board has on file for you, you may contact the LSP Board’s Program Coordinator, Ron Viola, at 617-556-1091 or at <Ronald.Viola@state.ma.us>.
